Signs of Glory – Part 4

Jn 4:43-54

Questions/Notes

- What is noteworthy about the faith of Samaritans (Jn 4)?
- What was the nature of the welcome extended to Jesus in his home region of Galilee?
- How would you compare the faith of the Galileans (Jn 4) with the Samaritans?
- What 'stages' did the royal official progress through as he came to genuine faith in Jesus?

royal official = likely an official working for 'King' Herod Antipas who administered a portion of Palestine for the Romans

long-distance miracles were rare in the Old Testament. The general population believed the chance for a miracle unlikely if the 'worker' wasn't present.
