## Questions & Notes

- What is a better way to respond to errors and excesses in ministry practices?
- Who was credited with the man's healing? Why is this important?
- Who is the source of the faith that is operating in this healing account?
- What is important if faith in ministry is to be fruitful?

**"Gate Called Beautiful"** – location of this gate is uncertain, but it was probably the gate leading from the Court of the Gentiles into the Women's Court

**"Solomon's Portico"** - covered walkway formed by rows of columns supporting a roof and open on the inner side facing the center of the temple complex
