Sermon Notes

Lead Us Not Into Temptation	Lk 11:2-4
Remodeling Our Prayers	Dave Pett (Aug. 15, 2021)

Questions & Notes

- What does Satan want to accomplish by 'sifting' us?
- What does John Stott suggest is Satan's preferred way of tempting believers?
- What does the request 'lead us not into temptation' mean?
- In what areas might Satan seek to deceive us?
- Who is advocating for us that we stand firm in the face of temptation?
- What role does the Holy Spirit play in our standing firm against Satan?

"temptation" (Lk 11:4) = test, trial, enticement to sin. The latter may arise from internal desires or outward forces (e.g., Matt 6:13; Mark 14:38; 1 Cor 10:13; Jas 1:12; Rev 3:10).
