Questions & Notes

- The ‘word of God’ is a rich concept. What is a working definition of the ‘word of God’? Is that different than you thought?
- What kind of relationship does God want to have with humankind? How does communication relate to that?
- In addition to inspiring Scripture what other key role does the Holy Spirit have with regard to Scripture? How does this impact how you engage with Scripture?
- How should we handle Scripture passages that are hard for us to understand? What tools might help with this? Do you use any of these? What tools have you found that helps you better understand Scripture?
