Acts 20:32-38

Being Generous

Dave Pett (November 20, 2022)

## Questions & Notes

- Andy Stanley suggests that North American church-goers know how to give but they don't know how to be generous. Is this true of some you know? To what degree is it true of you?
- What key observations were drawn from Jn 3:16 about God's giving heart?
- If we are being generous like God what will that mean about our giving? Which one of these points challenges you the most?
- Paul gave to the Ephesians from his resources. Can you name the five that were mentioned?
- What greater blessing did Paul receive because he gave to the Ephesians? How would that kind of blessing be meaningful to you?
