Questions & Notes

- What was John the Baptizer's role in God's mission? What did John's baptism depict? Have you experienced water baptism as a believer? What did that represent to you?
- Jesus' resurrection marked a turning point in God's mission. For whom was the good news? Did these first disciples easily understand those changes?
- Sometimes the phrase 'baptism in the Spirit' is used to denote a believer's empowerment by the Holy Spirit that is distinct from and subsequent to coming to faith in Jesus. Is that the best way to understand these verses? Why might this be important?
