Questions & Notes

- What scenes come to your mind when you hear the word 'heaven'? Do those scenes fit if heaven is understood as the sphere of God's uncontested glory?
- What 'enemies' do you face? Have you considered that Jesus is in glory speaking up for you that you would prevail in those battles? How might that help?
- What does the phrase 'right hand of God' mean? What does Jesus do from that place?
- What does it mean that Jesus will restore all things? Does that give you hope?
