Acts: God On The Move	Dave Pett (Feb. 5, 2023)

Questions & Notes

- What is the difference between 'complexity' and 'complicated'? Why does the difference matter?
- In v. 14 the NIV text states that the believers were 'together'. What does that mean? How could you make that kind of 'together' a bigger part of your faith journey?
- Solidarity in Christ is not the same thing as uniformity. Why is that distinction important?
- In addition to praying, what other things did the early church lean into? Are these things part of your current experience?
- Believers navigated complexity by being dependent on the Lord. How does that find expression in your life?
