Sermon Notes

Faith to Be Healed	Dave Pett (Jan. 28, 2024)
Acts: God On The Move	Acts 14:8-10

Questions & Notes

- The man born lame had faith to be healed. What does that mean?
- Testimonies about God's miraculous healing of another person can stimulate faith for healing. How might that be? Would you be open to that?
- How might the Lord direct someone's healing prayers for another? Why is it important that we implement this guidance humbly?
- How do we sense that a particular time of healing prayer has reached its conclusion? What are some important things to remember?
