**Notes**

- What kind of experience, if any, have you had with another believer sharing something they believe is from the Lord for you? To what degree was it a positive experience?
- One definition of prophecy is revealing the Lord's heart for a particular situation. What do you understand this to mean?
- I Co 14:3 says, "But the one who prophesies speaks to people for their strengthening, encouraging and comfort." How would you paraphrase that? What value do you see in this purpose?
- The Lord spoke both directly to Paul and through the family of faith about Paul's trip to Jerusalem. Why might that have been?
